

Create a Flavor

Fairgrove Elementary PTO will be hosting a school night at
Doc Burnstein's on March 9th, 2010.

We are raffling off the chance to create a flavor for our school night.

Tickets will be on sale until March 1st.

The winner will invite a group of friends (up to 8) for a 1 hour visit (after school) to Doc Burnstein's. The kids will learn about making ice cream, make the new ice cream creation for the School Night (March 9th), sample the new creation from the ice cream machine, enjoy a scoop of their favorite ice cream, & create a poster to describe the flavor.

Mrs. Storm & teachers will be scooping ice-cream March 9th at Doc Burnstein's

Return your tickets by March 1st for a chance to win!
